

# NOTICE OF MEETING TO VOTE ON TAX RATE

A tax rate of \$0.49901 per \$100 valuation has been proposed by the governing body of City of Yorktown.

|                         |                     |
|-------------------------|---------------------|
| PROPOSED TAX RATE       | \$0.49901 per \$100 |
| NO-NEW-REVENUE TAX RATE | \$0.49901 per \$100 |
| VOTER-APPROVAL TAX RATE | \$0.52556 per \$100 |

The no-new-revenue tax rate is the tax rate for the 2026 tax year that will raise the same amount of property tax revenue for City of Yorktown from the same properties in both the 2025 tax year and the 2026 tax year.

The voter-approval rate is the highest tax rate that City of Yorktown may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is not greater than the no-new-revenue tax rate. This means that City of Yorktown is not proposing to increase property taxes for the 2026 tax year.

A PUBLIC MEETING TO VOTE ON THE PROPOSED TAX RATE WILL BE HELD ON September 14, 2026 AT 6:00 PM AT Yorktown City Hall, 102 W. Main St, Yorktown, TX.

The proposed tax rate is also not greater than the voter-approval tax rate. As a result, City of Yorktown is not required to hold an election to seek voter approval of the rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the City Council of City of Yorktown at their offices or by attending the public meeting mentioned above.

YOUR TAXES OWED UNDER ANY OF THE RATES MENTIONED ABOVE CAN BE CALCULATED  
AS FOLLOWS:

$$\text{Property tax amount} = (\text{tax rate}) \times (\text{taxable value of your property}) / 100$$
